**THE
NAME
OF THE
GAME
IS . . .**

SUCCESS

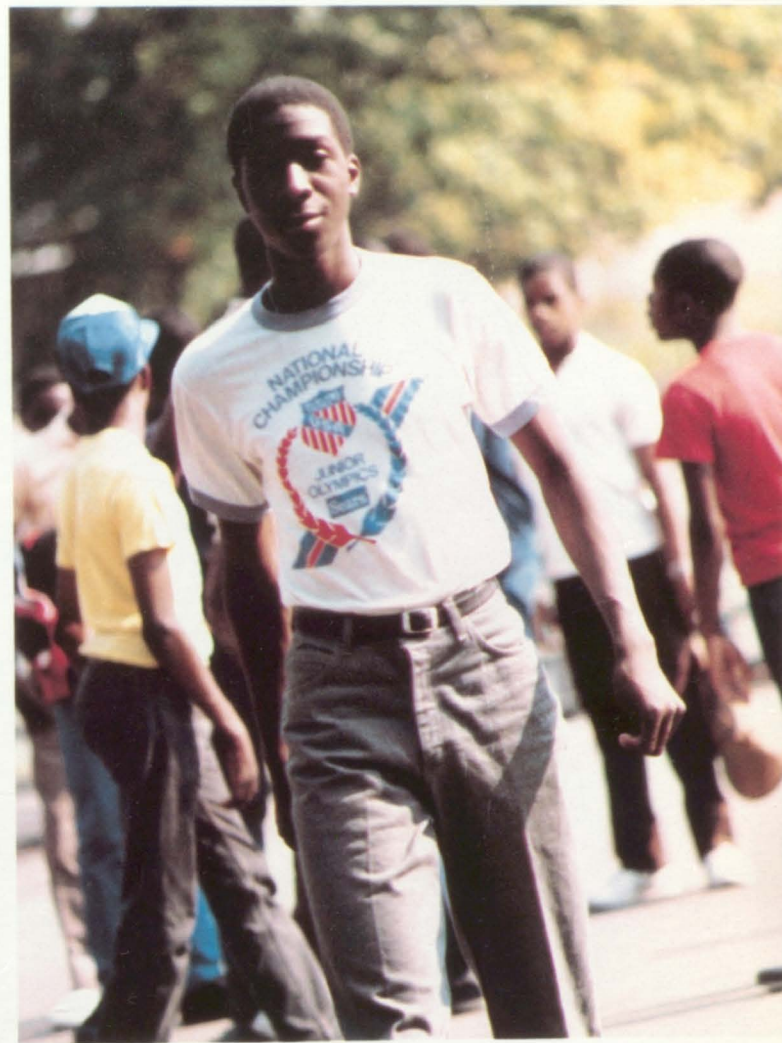

West Side Students love success. We strive from day to day to reach our determined goal. We want to be successful Black achievers whose names are known everywhere, — not for committing crimes, but for being presidents of million dollar companies. Because we the students of West Side believe that education and success is the ambition and the hope of America.

THE NAME OF THE GAME IS . . .

Pride

We, the students of West Side High take great pride in the things we do. We have pride in our school, our alma mater. Education and success are our top priorities.

We have pride in our community, the root of our determination.

We take pride in our school activities, our band, and our basketball and football teams.

Our school was built on pride and supported with success. It has been a starting point for us and others to follow behind.

THE NAME OF THE GAME IS . . .

Friendship

There is a little game that my best friends and I play. Perhaps, you've heard of it or tried it once before. This game involves a great deal of love, sharing, honesty, and trust. When I'm down and out, they pick me up and fill me with contentment. This may not seem like much, but it means so much to me. This is the only game I know that I'm sure I'll be a winner.

Ms. Lena Jessie

To The Class Of 1986:

You are embarking upon a time in history which can be both exciting and challenging. It is a time when the world needs now, more than ever men and women with a passion for justice, men and women with a sense of the relevant and the appropriate, and men and women who are willing to serve.

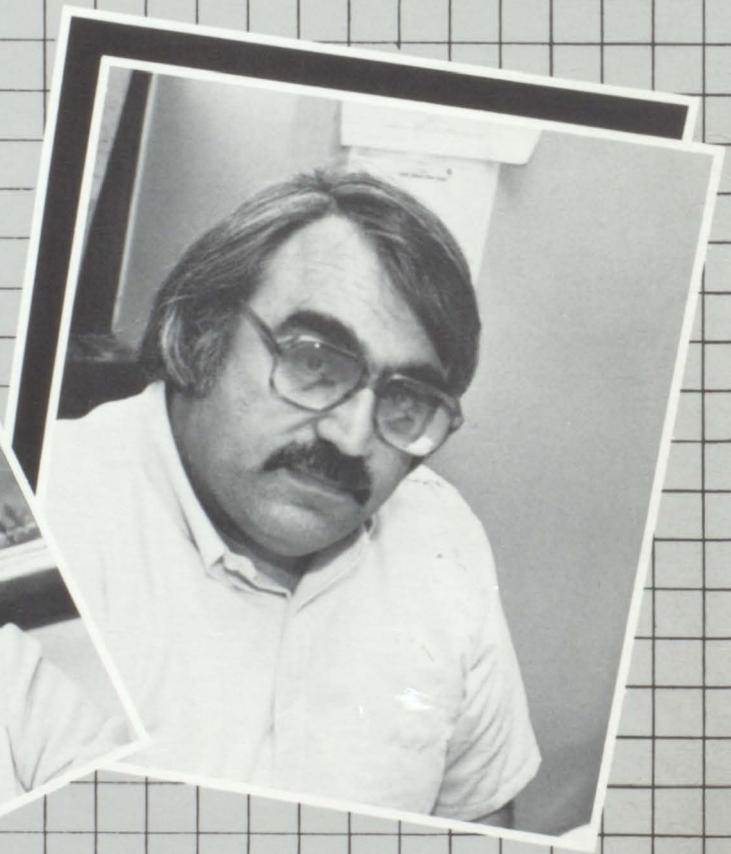

It is my hope that you will use to the fullest, the experiences encountered during you years at West Side. Let these experiences serve as stepping stones to greater heights as you venture forth to face the many challenges which await you.

Cordially yours,

June, 1986

Dear Seniors,

My graduation message to you is very simple, "You Can Do It Easily!"

Whatever you need to do, no matter how difficult or demanding or challenging, you can do it -- easily! You can have wisdom strength, poise, guidance, assurance -- anything you need at any moment and under any circumstance. How? You have the very ability within you as you own personal birthright and heritage. Because of and through this ability in you, you can do anything you need, want, or desire to -- easily!

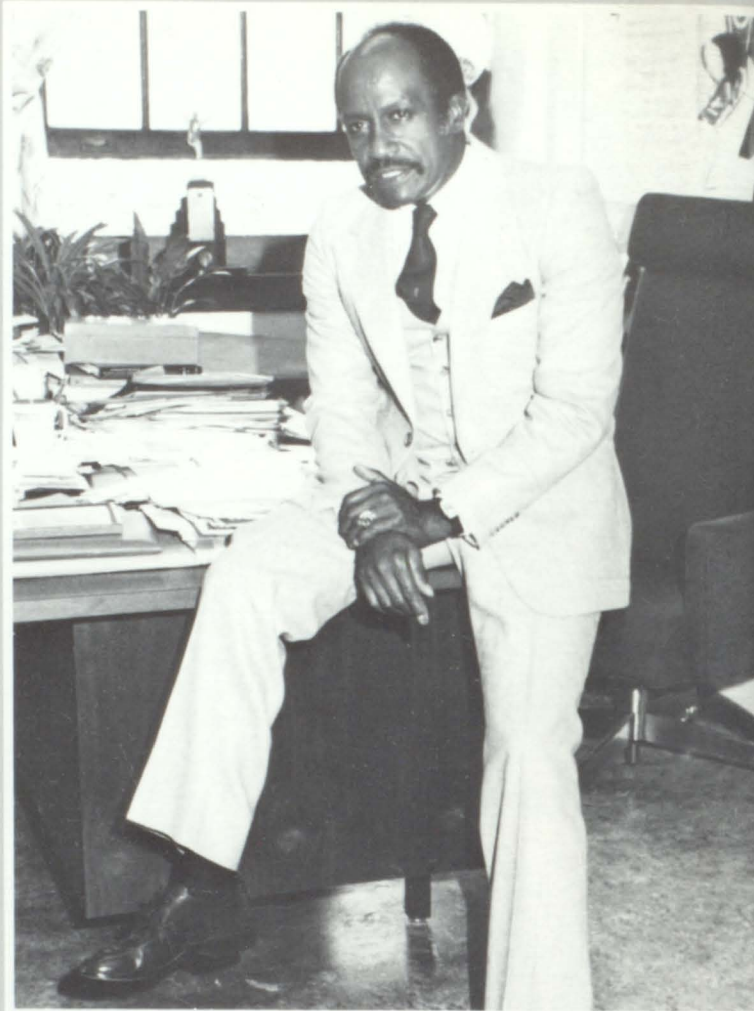

Take a few minutes right now to be still and know this for yourself. Relax physically, emotionally, mentally. As you let this idea take hold in your consciousness, you will find yourself more adequate, confident, and assured than you had thought possible. Instead of thinking and saying, "What if I can't?" or "What if it doesn't work?" or "What if something happens?" you will be using the power of the "Spirit" in you to successfully meet whatever challenge or difficulty that you must face.

In closing, let me leave this thought with you... "We need not go along with unhappy conditions, believing that we have no choice in the matter. Always we have a choice, always it is our power to change the pattern of our life. There is nothing you cannot accomplish, no goal that can't be attained, if you have abundant energy, joyous enthusiasm, faith in yourself, and most important of all prepared yourself accordingly."

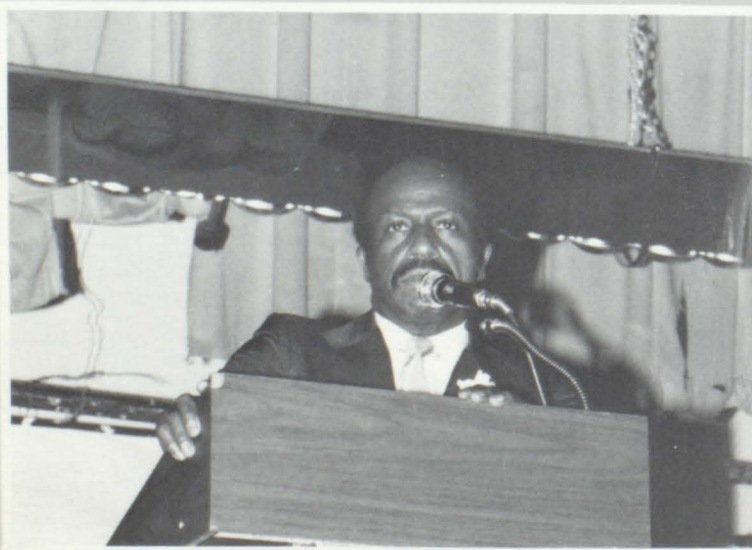

"Remember.... You Can Do It Easily!"

Peace and Prosperity,

To the Graduates of the Class of 1986

Your years at West Side High School have been formative years. Very important groundwork has been established which will serve as the foundation on which you must build the life that you want. As you move ahead and plan for the future, reflect on the many experiences that were a part of your West Side years. I believe that many of these will prove to be significant in helping you make decisions and plan your future. Set goals and standards for yourself. Never settle for anything less than being the very best that you can be.

Best wishes for continued success.

Eight magnificent models are gangsters for a moment.

After several postponements, because of circumstances beyond our control, the Senior Class finally put on a spectacular extravaganza, "The Many Faces of Fashion". Each model walked the "T" with perfection, attempting to sell him or herself to the audience. The scenes were: swim wear, coats, leather wear, formal wear, business wear, casual wear, color burst, gangster, and "express yourself".

A special thanks to all participants and especially to Rodney, Ramon and Frank for their time, work, effort and art in making the show a success.

Leather, suede, fur, expensive wool and silk flourished at seniors' fashion show.

COUPLES AND STAGGERS HAVE

On February 15, 1986, couples and staggers sashayed their way into St. Rocco where our Sweetheart Ball was held. Those who had no date came to look for one while those who did flirted for another. There was plenty of competition, but not for Matilda Peters and Victor Colter, the Class Sweethearts. First runners-up were JuWanna Grey and Calvin Hood. Second runners-up were Delaine Bailey and Keith Murray.

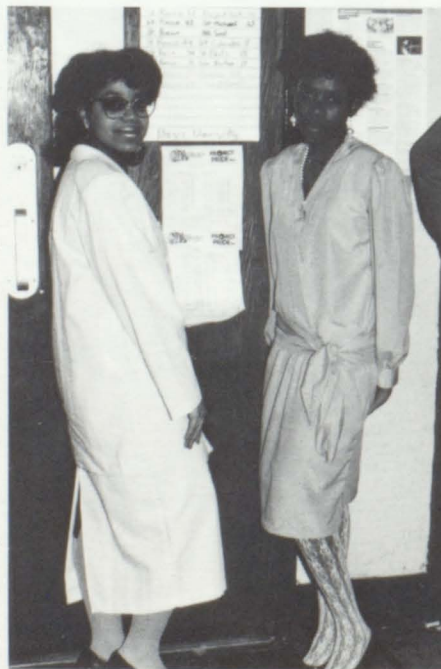

We, again, registered another memorable occasion for the Class of 1986.

PRIDE + TEAMWORK EQUALS SUCCESS

Keith Murray and John Wilder showing team spirit.

Doria Arrington, Chantel Mosses, and Angela Hill almost to the finish line.

It was a season of ups and downs for the 1985 cross country team. Although, the team didn't win any championship, there were some fine individual performances.

Captains Victor Colter and Jerry Flounory were good examples to the younger runners. They both worked hard and took pride in their running. Seniors Keith Murray and John Wilder were the other key runners on the team.

Captains Angla Hill and Doria Arrington were the leading winners for the girls team. Each and every week they combine with Andrea Taylor and Chantel Moses to lead the team into competition. Tracy Simmons and Karen Barclay were the other key members of the team.

Despite using the season for conditioning and base work for the hectic indoor and outdoor season, the Riders spirits remain high in working toward the common goal . . . SUCCESS.

The 1985 football season ended with the best winning Riders' record in years (3-3).

West Side vs Shabazz—Joe Williams catching consecutive bombs from Marion Bell and leading the Riders to victory. Also Raymond Brown running well, Kimble Wright recording 3½ QB sacks, two fumble recoveries and nine solo tackles to help WS win a defensive battle. Final score 6-0.

Outstanding plays of season: Kimble Wright recording 14 tackles against Dwight-Englewood of New York. Marion Bell throwing for 300 yards in the Dwight-Englewood game. Joe Williams catching 50, 40, and 30 yards in game against Shabazz. Tony Ivery hitting a Central player so hard that defender was unable to play in two quarters. Mark Caesar pulling and knocking defender five yards out of bounds in the Barringer game. Leon Craig recovering a fumble enabling WS to score. Raymond Hardy running 60, 55, and 40 yards in Vailsburg game, and Robert Moses running for 103 yards in the same game.

To many, the track team is considered the pride and joy of West Side High. These hard-working athletes strive to bring athletic success along with academic recognition to the school.

Each and every week, senior captains Victor Colter and Angela Hill led the Riders into competition. Victor was the premier hurdler in the City and County throughout the year. Angela was one of the better sprinters in the Tri-State area. Throughout her high school career, she set numerous records in the City and County meets along with receiving All-State and All-American honors.

Jerry Flounory and Doria Arrington were the co-captains that also had an outstanding year. Teesher Ellis, Andrea Taylor, Chantel Moses, John Wilder and Keith Murray were the other key members of the team.

The Riders have an excellent group of young runners that will keep West Side in the spotlight for years to come. They must remember the motto of the late great West Side Coach, Chester Phillips.

The West Side Girls Basketball Team had a difficult year record-wise, finishing with a 5-13 slate. However, the future looks bright with the development of five players who will return next year.

Junior Syeda Lamb who served as the team captain led the team in scoring and rebounding. Sophomore Rhonda Johnson emerged as the floor leader and ball handler that every team needs. Added to them are Sophomore Elizabeth Huff, a defensive whiz who led the team in blocked shots, Junior Joyce Tuck who showed signs of improved play and Junior Tonya "Peaches" Wilkinson who continued to improve throughout the season. This group of players added to three Freshmen, Satonya Gardner, Jackie Searly and Christine Kersey, should make West Side a much stronger team next year.

THEM THERE WOULD BE NO "GAME"

The yearbook Staff goes over deadline with Mrs. Cato.

Avon Robertson-Assoc. Editor

Patricia Jones-Editor

While the book was in process, there were many critics but few creators. The talkers often outnumbered the doers.

We, the Lamp staff, worked diligently to make this a successfull and comprehensive yearbook which we can all be proud of. Putting together a yearbook is more complicated than just taking pictures and placing them on a page; it takes complete co-operation and long-term dedication. Changes had to be made at the last minute, but somehow we managed to met our deadline.

The theme "The Name of the Game" nearly states that we the Class of "1986" know that the name of the game is not just being in school, but staying in school.

Being a part of the yearbook staff was a great experience for me. I shared with all of the members of the yearbook staff a friendship that I will always treasure. Everytime I look through my yearbook, I will remember the pleasure I had in being a member of the yearbook staff.

We owe a lot to our advisor Mrs. Mary Cato for all of her time and dedication she has put into the yearbook. Mrs. Cato was a lot more than just our advisor; she has been a mother figure to us. She was always there for us with an open heart and mind and we love her for that.

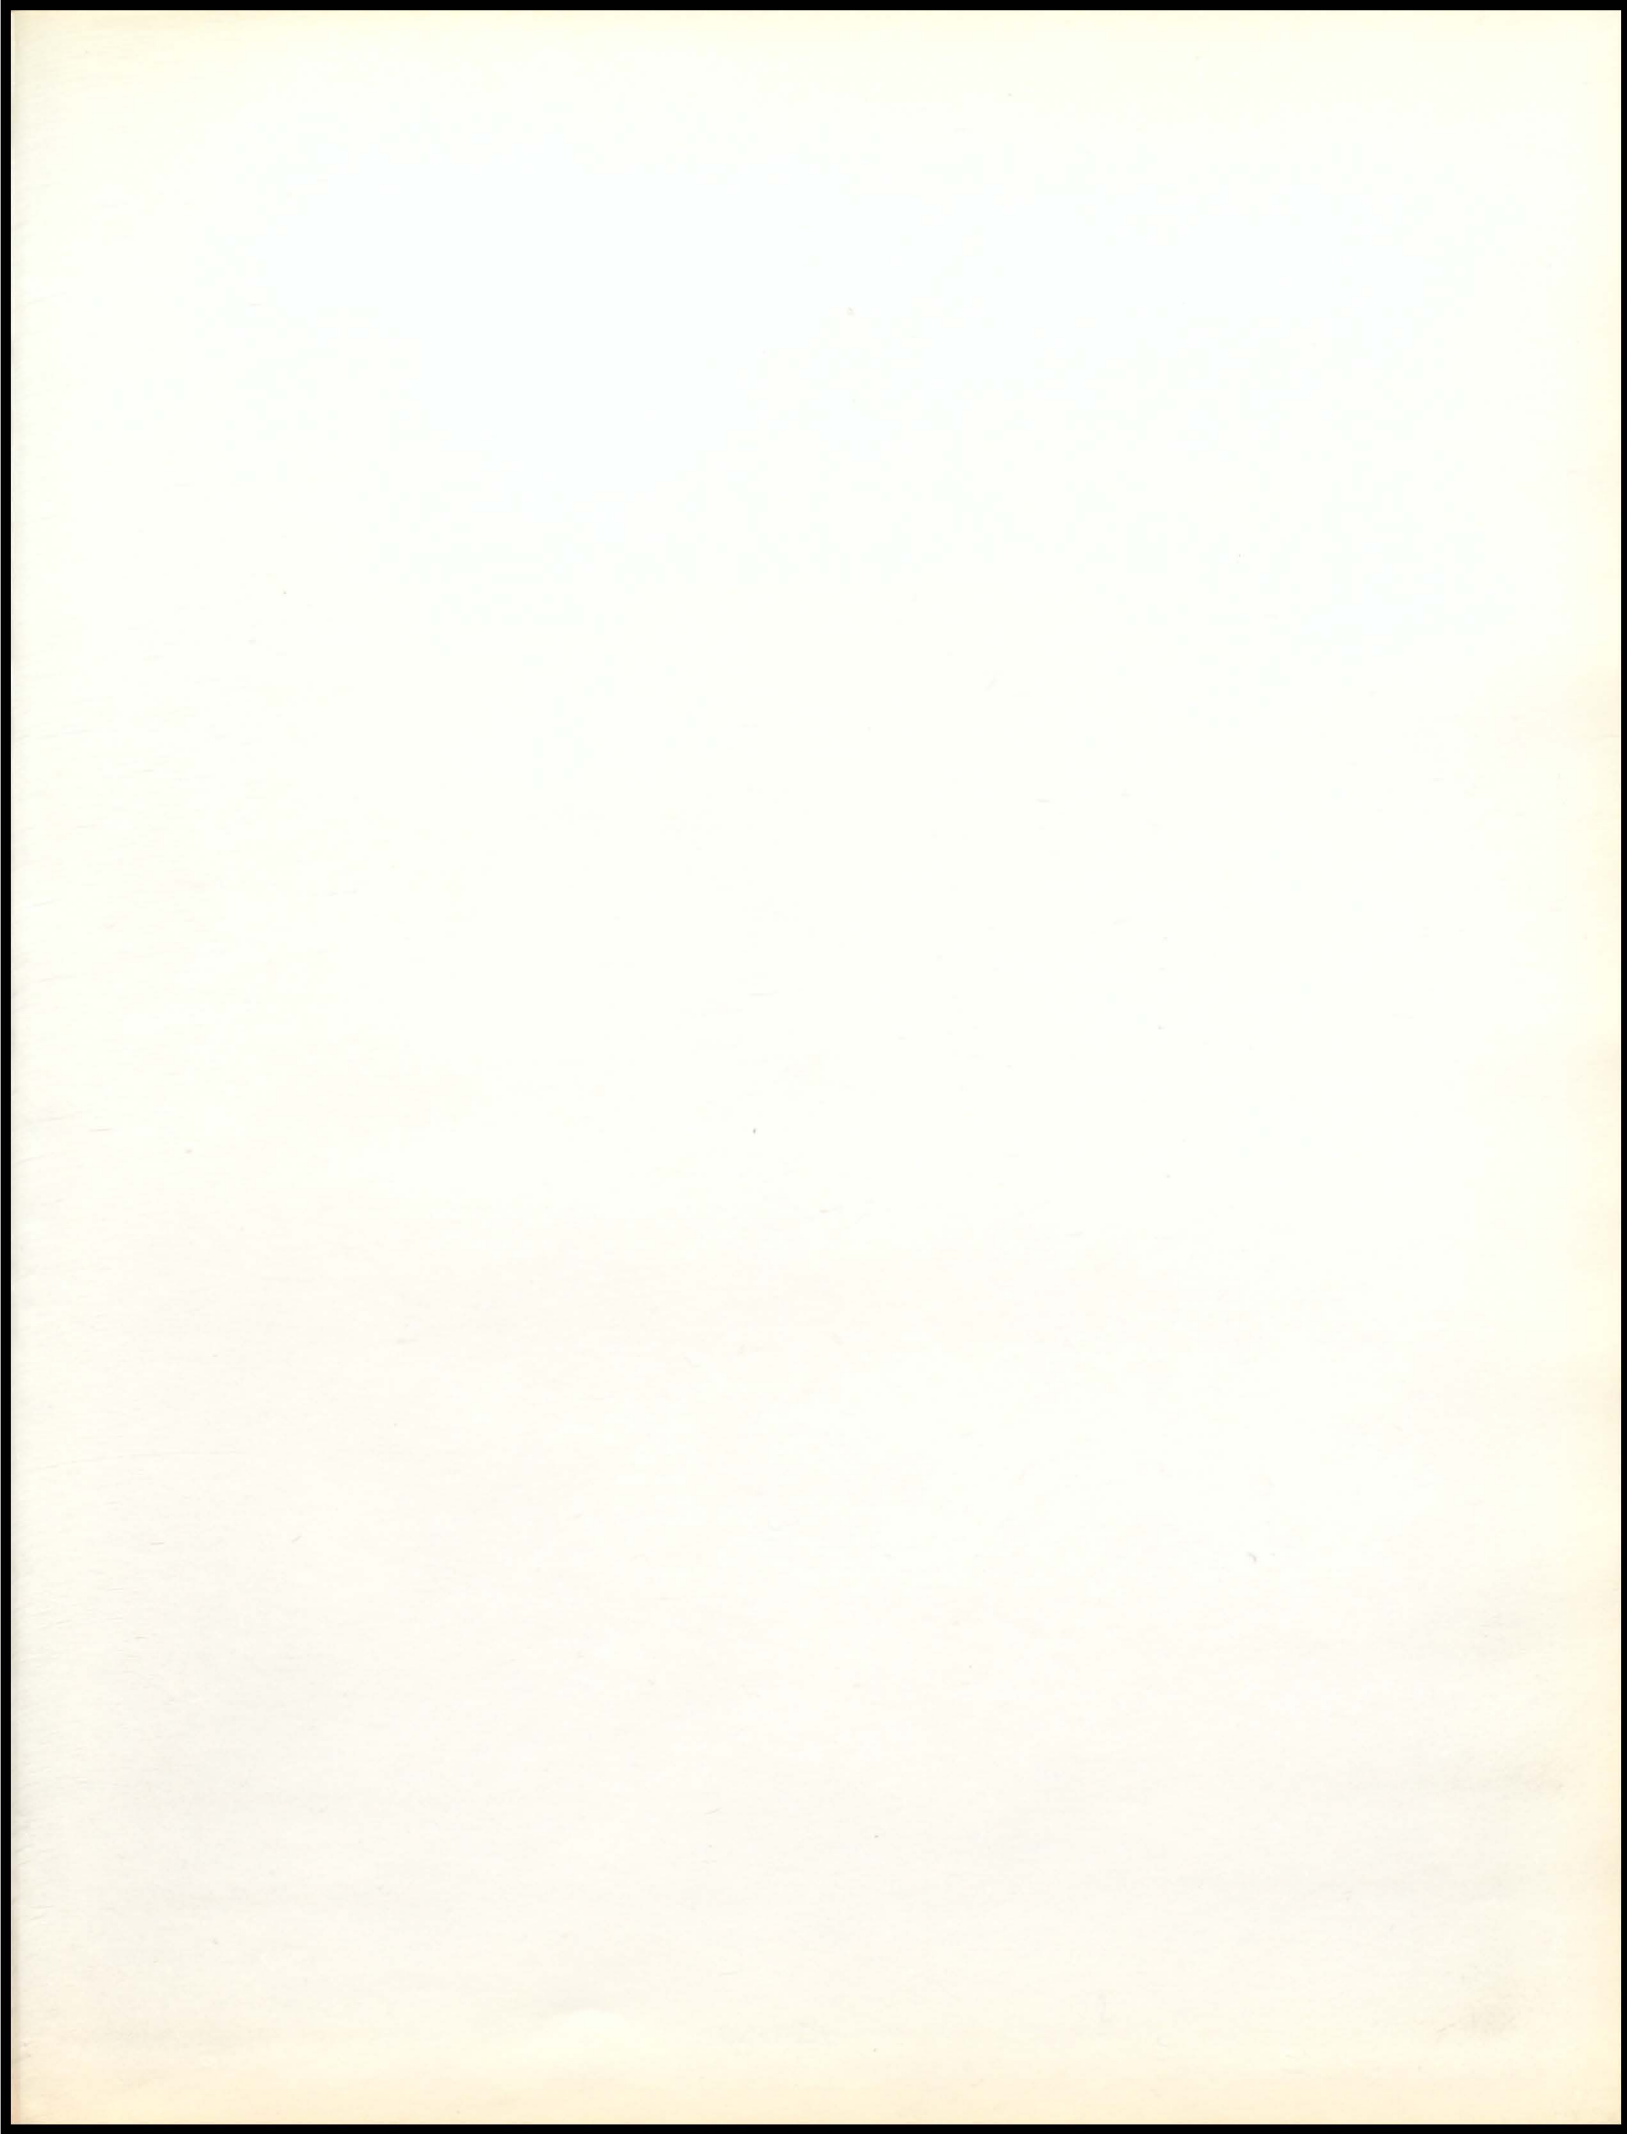

We, the Lamp Staff of "1986", would like to thank Mr. Alexander our photographer, Mrs. Betty Summers for the art work and stage decorations, Mrs. Dorothy Wright for the copies, Mrs. Tyson, Ms. Prince, Mrs. Anderson and Mr. Alexander for the excuses, Mrs. Miller for the editing, Mrs. Northern for everything, the wonderful yearbook staff, who did not steal a picture, Lorstan Thomas Studios, Mr. Raimondo and Mrs. Howard for their duplicating services and last, but not least, bubbly Bonnie Levine.
